

SECTION I – AUTHORITY, FINDINGS, PURPOSE AND INTENT

- (a) These regulations are promulgated pursuant to and in conformity with Chapter 243 of the Local Government Code of Texas, as amended.
- (b) The Commissioners' Court of Galveston County makes the following findings:
- (1) That sexually oriented businesses require special supervision in order to protect and preserve the health, safety, and welfare of the patrons of such businesses as well as the citizens of the communities where they locate;
 - (2) That sexually oriented businesses are used for unlawful sexual activities including prostitution and sexual liaisons of a casual nature that can facilitate the spread of sexually transmitted diseases;
 - (3) That sexually oriented businesses provide enhanced opportunities for employee or independent contractor participation in various forms of criminal activities such as prostitution, lewd conduct, indecent exposure, obscenity law violations and related crimes that are associated with sexual conduct or sexually-oriented materials;
 - (4) That sexually transmitted diseases are a legitimate public health concern that demands reasonable regulation of sexually oriented businesses in order to protect the health and well being of the public;
 - (5) That permitting sexually oriented businesses is a legitimate means of accountability to help ensure that operators of sexually oriented businesses comply with reasonable regulations and to help ensure that enterprise operators do not knowingly or carelessly allow their establishments to be used as places of illegal sexual activity or solicitation;
 - (6) That there is convincing documented evidence that sexually oriented businesses have a deleterious effect on both the existing businesses around them and the surrounding residential areas adjacent to them;
 - (7) That sexually oriented businesses, due to their nature, have objectionable operational characteristics especially when they are located in proximity to each other. Such proximity contributes to urban blight and downgrades the quality of life in adjacent areas;
 - (8) That sexually oriented businesses can exert dehumanizing influences on churches, schools, and day care centers; have negative effects on property values; can contribute to increased criminal activities in surrounding areas and exert the same types of negative community influences on other forms of land uses;

- (9) That persons who are employed in sexually oriented businesses should be subject to verification that they have not been convicted of certain crimes relating to the foregoing findings;
- (10) That caressing and fondling between patrons and nude or semi-nude entertainers of sexually oriented businesses and the practice of patrons providing gratuities to such employees by placing such gratuities in articles of clothing worn by such entertainers or in orifices or folds of their bodies constitutes overtures and opportunities for illegal activities and transactions such as prostitution and the sale of controlled substances;
- (11) That the continuation of the distance requirement of 1500 feet of sexually oriented businesses from various types of establishments will help provide additional protection to the community from the adverse effects of sexually oriented businesses without depriving such businesses of adequate opportunities to locate within unincorporated areas of Galveston County; and
- (12) That the Commissioners' Court wants to help prevent adverse effects caused by sexually oriented businesses. The Court also desires to help protect the health, safety and welfare of its citizenry; help protect the public from increased crime; help preserve the quality of life; help preserve property values and the character of surrounding neighborhoods and help deter the spread of urban blight;

(b) It is the intent of the Commissioners' Court of Galveston County to exercise its regulatory powers permitted under Chapter 243 of the Local Government Code and to enact a content neutral order that addresses the secondary effects of sexually businesses as well as the health problems associated with such businesses. The Commissioners' Court desires to establish reasonable and uniform regulations of sexually oriented businesses to promote and protect the health, safety and general welfare of the citizens of Galveston County. The Court also desires to prohibit business activities that merely serve as a front for activities prohibited by the Texas Penal Code, including but not limited to prostitution and the promotion of prostitution.

(c) These regulations have neither the purpose nor effect of imposing a limitation or restriction of the content of any communicative material, including sexually oriented material. Similarly, it is not the intent nor effect of these regulations to restrict or deny access by adults to sexually oriented material protected by the First Amendment of the United States, to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market or to suppress any speech activities protected by the First Amendment. The promotion of obscene material (not protected by the First Amendment) is enforceable through separate criminal sanctions under the penal code.

(d) These regulations do not legalize anything prohibited under the Texas Penal Code or any other law or regulation.

SECTION II – ADMINISTRATION

(a) The Commissioners’ Court hereby designates and directs the Executive Director of the Galveston County Health District, or his duly authorized representative(s) (“Executive Director”) to accept applications for a sexually oriented business permit and to certify compliance with the location requirements. The Commissioners’ Court also directs the Executive Director of the Galveston County Health District to investigate, deny, issue, attach conditions to, suspend and revoke Sexually Oriented Business Permits (SOBPs) pursuant to the above authority and these regulations.

(b) The Executive Director may enforce these regulations. An appeal shall not automatically stay the effect of the Executive Director’s determination. The Sheriff is authorized to investigate Sexually Oriented Businesses’ Service Provider Records and to investigate and enforce the Operating Requirements imposed on Sexually Oriented Businesses. These Requirements are set forth in Section XVII and in Section XXV of these regulations.

(c) Pursuant to Section 243.007(c) of the Local Government Code, the District Court has jurisdiction over a suit that arises from the denial, suspension or revocation of a SOBP by the County.

(d) Sections 243.010(a) and (b) of the Local Government Code, as amended, authorize Galveston County to prosecute a violation of these regulations as a Class A Misdemeanor.

(e) The revocation or suspension of a SOBP shall not prohibit the imposition of a criminal penalty and the imposition of a criminal penalty shall not prevent the revocation or suspension of an SOBP pursuant to these regulations.

In addition, no action shall be taken on the application until the sign(s) have been erected and maintained as required.

(b) Notice. Every applicant for a new SOBP license shall give notice of the application to all owners and lessees of real property within fifteen hundred (1,500) feet of property on which the SOBP is requested. It is the applicant's responsibility to determine who the property owners and lessees are. Galveston County Central Appraisal District Records may be used for making this determination. A copy of the list of those persons notified with their addresses must be provided to the Executive Director. These owners and lessees are interested parties (as the term is defined in these regulations) in any public hearing process connected with the SOBP, including revocation hearings. The owners and lessees of these properties shall be notified as required in this subsection even if the property is not located in the unincorporated area of Galveston County. Owners and lessees of property within fifteen hundred (1,500) feet of the proposed location that are not within the unincorporated areas of Galveston County, Texas shall have the same rights under this subsection as the residents of the unincorporated areas of Galveston County. The following is also required:

- (1) Notices to the owners and lessees shall be sent within two (2) business days after the date the Executive Director issues the receipt for the application. The notice sent shall contain a legible copy of the "Notice to Interested Parties" included in the application form provided by the Executive Director and shall contain the information described in Section IX (b) (1) and (2). The "Notice to Interested Parties" shall also contain the procedures for requesting and appearing at the hearing.
- (2) Notice shall be given by posting the notice in the U.S. Mail, properly addressed and postage prepaid.
- (3) Each property owner and lessee so notified shall have fifteen (15) days from the date the Executive Director issues the receipt for the application to file a request for a public hearing. The public hearing will be conducted as provided in Section XIV.

(c) An applicant for a renewal SOBP or SOBEs permitted under the April 5, 1999 Sexually Oriented Business Regulations are not required to meet the posting and notice requirements of this section.

SECTION XII – APPLICATION REQUIREMENTS FOR EXISTING ENTERPRISES

(a) All currently permitted SOBEs shall submit a complete renewal application for an SOBP pursuant to these regulations within sixty (60) days of the effective date of these regulations. Applicants for such renewal permits must furnish the information requested of new applicants (See Section IX). Otherwise, the regulations prescribed in Section XX will be followed in determining whether the renewal application will be granted.

(b) A County SOBP issued prior to the effective date of these regulations shall be valid for an SOBE until a final determination is made on the application under the new regulations. The receipt for the new SOBP application shall be attached to the existing SOBP.

(c) An existing SOBE that was not required to obtain a permit under the previous regulatory structure, if there are any, may continue to operate until the Executive Director's determination on the SOBP application is final.

(d) The SOBP application receipt is required to be displayed in clear view at the premises of an SOBE. Failure to do so will constitute an offense.

(e) Any SOBE which operates in the areas of the County affected by these regulations at the time these regulations become effective, shall have sixty (60) days from the effective date to come into compliance with these regulations.

SECTION XIII – ONGOING DUTIES OF APPLICANT AND HOLDERS OF SOBPs

(a) Applicants and holders of SOBPs shall be under a continuing affirmative duty while the application is pending and during the effective dates of the SOBP to notify the Executive Director of any of the following events. Notice is to be provided in writing and delivered no later than two (2) business days after the occurrence of:

- (1) address and/or name change of the applicant or holder;
- (2) revocation or suspension of any permits or licenses listed in the applicant's or holder's permit history;
- (3) an enterprise operator shall notify the Executive Director when the enterprise operator learns that any employee or independent contractor providing entertainment or services at the SOBE has been formally charged with a crime listed under Section XV(e)(1)(iv) and the crime is alleged to have occurred on the premises of the SOBE.

(b) The SOBE shall comply with the conditions attached to the SOBP pursuant to Section XIV or XV(f). Each and every day the SOBE fails to comply with a SOBP condition is a separate violation of these regulations.

(c) A SOBE shall notify the Executive Director immediately if an SOBP is lost or stolen. If notice of loss has not been provided to the Executive Director and an SOBP is found in the possession of any person other than the Enterprise Operator, it shall be presumed that the Enterprise Operator had knowledge of the illegal use of the SOBP, and participated in the attempt to transfer the permit.

SECTION XIV - PUBLIC HEARING ON HEALTH AND SAFETY

(a) When the Executive Director receives a written request for a public hearing concerning a SOBP application, the Executive Director shall confirm that it is:

- (1) from an applicant or interested party;
- (2) that the request specifically identifies the SOBP application at issue;
- (3) that the request is timely filed; and
- (4) that the request specifically identifies health and safety concerns affected by the SOBE.

(b) If the request meets the criteria above, the Executive Director shall then initiate the public hearing procedure, as follows:

- (1) A hearing official, appointed by Commissioners' Court, shall be contacted by the Executive Director and a date set for the public hearing.
- (2) The hearing shall be scheduled at a public building within the County voting precinct where the enterprise is to be located, or within an adjacent County voting precinct.
- (3) The hearing shall be scheduled either on a weekday at 7:00 p.m. or on a Saturday morning at 9:30 a.m.
- (4) The Executive Director shall send the applicant a written Notice of Hearing at least fifteen (15) days in advance, stating the date, time and place of the hearing. The Executive Director shall make a copy of the Notice of Hearing available to the public by posting at the County Courthouse.
- (5) The Executive Director shall notify all Interested Parties requesting a hearing of the hearing by sending them a copy of the written Notice of Hearing at least ten (10) days in advance.

- (6) Publicizing the hearing in a newspaper shall be the responsibility of the applicant who requested the permit. The publication must be in a newspaper of general circulation in Galveston County and must be at least 3 columns by 5 inches and located in retail display. The Executive Director shall make available to the public a copy of any request for hearing and the Notice of Hearing.
 - (7) The Executive Director shall place a Notice of Hearing sign at the location identified in the application containing the time and place of the hearing.
 - (8) The hearing may be rescheduled by the hearing official for good cause, including, for example, a large number of requests for a hearing that indicate strong public interest in the matter. The hearing may be rescheduled a second time if rescheduling was due to emergency circumstances, such as extreme weather conditions. If rescheduled, the new Notice of Hearing shall be available to the public at the Galveston County Health District and the applicant must republish the notice using the procedure set forth in subsection (6) above.
 - (9) The applicant may request that a court reporter make a record of the hearing. The applicant must:
 - (i) make this request at least five (5) days prior to the hearing, and
 - (ii) bear the cost of making an official record and one additional (1) transcript for the County.
 - (10) The hearing official shall arrange for the court reporter to take the record of the hearing, including exhibits and testimony. One copy of the transcript shall be provided to the hearing official to become the property of the County.
- (c) If the request for public hearing is deficient, the Executive Director shall return it to the person who submitted the request with a notation stating the deficiency. A request that does not comply with the requirements stated in subsections (a) above or (d) below shall not extend the period of time in which a request for hearing may be filed.
- (d) If the Executive Director receives a request for a public hearing after the SOBP has been issued or renewed, the late request shall be attached to the SOBP records. Thereafter a hearing shall be scheduled when the next renewal application is filed if i) the late request identifies health and safety concerns affected by the SOBE; ii) the concerns were not addressed in the current SOBP; iii) the request was filed by an Interested Party; and iv) the requesting party still desires to have a hearing. Upon determining all these conditions exist, the Executive Director shall initiate the hearing as set out in subsection (a).
- (e) The hearing shall be conducted by the hearing official under the following guidelines. The hearing official shall liberally construe these guidelines to allow the public input to protect

the health and safety of a community affected by the location of an SOBE and to allow the applicant to address these concerns:

- (1) Applicants and Interested Parties are entitled to the assistance of counsel obtained at their own expense.
 - (2) Applicants and Interested Parties may expressly waive the right to counsel.
 - (3) The hearing official shall, upon prior request, provide for appropriate facilities for any disabled person to be able to participate in the hearing. This shall include, but not be limited to: interpreters for deaf or hearing impaired participants, wheel chair access and special seating arrangements.
 - (4) Participants in the proceeding may be allowed to supply interpreters for language translation and the hearing official shall accommodate the translation of the proceeding.
 - (5) The hearing official may exclude evidence that is irrelevant, immaterial, or unduly repetitious. Relevance and materiality shall be evaluated by the relationship of the evidence to health and safety concerns directly related to the SOBP at issue, and conditions that may be attached to the SOBP to address those concerns. The hearing is not limited to the health and safety concerns specifically identified in the hearing request.
 - (6) If no request is made by the applicant for an official record, any person may record, videotape or transcribe the hearing provided there is no interference with the proceedings. The hearing official shall have the power to limit any interference with the proceedings.
- (f) The hearing official may continue the hearing to a date no later than ten (10) days after the initial hearing if:
- (1) the hearing has lasted at least two and one half (2 ½) hours and it appears to the hearing official that a significant amount of time is still required to fully present the public concerns and potential solutions to those concerns; or
 - (2) issues have been raised at the hearing requiring additional research needed in order to develop appropriate conditions to be attached to the SOBP or that the parties need additional time to develop a solution to issues identified at the hearing.
 - (3) A continuance shall not be for the purpose of delay or for developing new evidence.

- (g) After the conclusion of the public hearing, the hearing official shall produce a written statement containing the official's findings of public health and safety concerns and recommendations for conditions to be attached to the SOBP. The recommendations shall be forwarded to the Executive Director, the applicant, and all Interested Parties who requested the hearing. When the hearing official determines that public health and safety concerns exist, the Executive Director shall attach conditions as part of the SOBP. If no official record of the hearing has been requested, the hearing official's statement shall be the official record of the public hearing. The hearing official may consult with the Executive Director for the purpose of developing appropriate conditions to address the health and safety concerns shown at the hearing.
- (h) If evidence is produced at the hearing that would support denial of the SOBP, the hearing official shall provide that information to the Executive Director, who shall investigate whether the evidence warrants denial or revocation of the SOBP under these regulations.

SECTION XV - ISSUANCE OR DENIAL

- (a) An SOBP shall be issued within forty-five (45) days of submission of a complete application, unless the application is denied. The forty-five (45) days shall run from the date the Executive Director issues the receipt for applicant's application for the permit.
- (b) The license, if granted, shall state on its face the name of the person or persons to whom it is granted, the expiration date, and the address of the SOBE. The license shall be and remain posted in a conspicuous place at or near the entrance to the SOBE so that it may be easily read at any time.
- (c) The Executive Director shall defer determination of whether to issue an SOBP until final disposition of any charge of any of the crimes listed in subsection XV(e)(1)(iv) that is pending or arises during the investigation period. No temporary SOBP shall be issued before there is a final determination of the criminal charge.
- (d) If the Executive Director finds that the determination of whether an SOBP can be issued cannot be made within the time period stated in subsection (a) above, a written notice stating the reasons for the delay shall be sent to the applicant within that time period.
- (e) The SOBP shall be denied upon the finding by the Executive Director of any of the following facts:
 - (1) The applicant, or if the applicant is a corporation, general or limited partnership, or other business entity, any officer, director, partner or participant required to be identified in the application, was convicted of any of the crimes listed below and
 - (i) less than two (2) years have elapsed since the date of conviction or the date of release from confinement and supervision (if applicable) imposed for the conviction, whichever is the later date, if the conviction is a misdemeanor offense;

- (ii) less than five (5) years have elapsed since the date of conviction or the date of release from confinement for the conviction and supervision (if applicable), whichever is the later date, if the conviction is a felony offense; or
- (iii) less than five (5) years have elapsed since the date of the last conviction or the date of release from confinement and supervision (if applicable) for the last conviction, whichever is the later date, if the convictions are of two (2) or more misdemeanor offenses or combination of misdemeanor offenses occurring within a 24-month period.
- (iv) The crimes considered in applying this section are:
 - (a) prostitution, promotion of prostitution, aggravated promotion of prostitution, compelling prostitution, sexual performance by a child, or possession of child pornography as described in Chapter 43 of the Texas Penal Code; (modified 14 May 2002)
 - (b) public lewdness, indecent exposure, or indecency with a child as described in Chapter 21 of the Texas Penal Code;
 - (c) sexual assault, or aggravated sexual assault as described in Chapter 22 of the Texas Penal Code;
 - (d) Repealed 14 May 2002;
 - (e) Repealed 14 May 2002;
 - (f) Repealed 14 May 2002;
 - (g) a criminal offense as described in Chapter 481, Subchapter D of the Health and Safety Code;
 - (h) Repealed 14 May 2002;
 - (i) criminal attempt,

conspiracy, or solicitation to commit any of the foregoing offenses; or any other offense in another state that, if committed in this state, would have been punishable as one or more of the aforementioned offenses; or

- (j) a violation of these regulations described in XXV(a)
 - (2) The SOBE, as proposed, is a prohibited SOBE pursuant to Section XXV(b); the SOBE does not meet all the requirements of these regulations; or the SOBE is otherwise prohibited by local, state or federal law;
 - (3) The applicant has knowingly made a misleading statement of a material fact by omitting or falsifying information in the application for the SOBP;
 - (4) The applicant (if an individual) is under eighteen (18) years of age.
 - (5) The applicant or Enterprise Operator has had an SOBP revoked for the same SOBE or for another SOBE located at the same business location within the twelve (12) month period immediately preceding the date the application was filed;
 - (6) An applicant is delinquent in the payment to the county of fees, fines or penalties assessed or imposed regarding the operation of a SOBE or has allowed any of its ad valorem taxes, whether on the property subject to these regulations or any other real or personal property owned by the applicant, owed to County or to any taxing jurisdiction which levies ad valorem taxes on property owned in County to become delinquent: provided that nothing herein shall impair the right of the applicant to challenge, in accordance with the requirements of Chapters 41 and 42 of the Tax Code, the appraised value of any of its property if but only if it follows all steps to perfect that challenge in the year in which the disputed appraisal is rendered;
 - (7) The application or renewal fee required by these regulations has not been paid; or
 - (8) An applicant or Enterprise Operator has owned or been employed in a managerial capacity of a business or location within the preceding twelve (12) months and during that period the business or location constituted a common or public nuisance as defined in Chapter 125 of the Texas Civil Practice and Remedies Code.
- (f) The Executive Director shall attach reasonable conditions on an SOBP pursuant to the recommendations of the hearing officer if a public hearing was held under Section XIV. These conditions shall address the public health and safety concerns identified in the hearing.

(g) An SOBP shall be valid for one (1) year from the date it is issued, unless the SOBP is revoked or suspended pursuant to these regulations; the SOBE is sold or transferred; or the SOBP is canceled by written request of the applicant. If a permit was issued under the April 5, 1999 Sexually Oriented Business Regulations, the renewal fee for the initial SOBP under these regulations will be reduced by the amount the existing SOBP owner previously paid under the April 5, 1999 regulations.

(h) In the event the Executive Director determines that the SOBP is denied pursuant to these regulations, the applicant shall be given written notice of the reason for that determination. The written notice does not prohibit the County, in litigation on appeal, from presenting evidence of additional or alternative facts that support denial of the SOBP.

SECTION XVI - REVOCATION OR SUSPENSION

(a) The Executive Director shall have the authority and power to initiate a proceeding to revoke or suspend an SOBP if there is probable cause to believe that one or more of the following events or conditions has occurred:

- (1) the Enterprise Operator negligently allowed a person under eighteen (18) years of age to remain on the premises of the SOBE during the hours of operation;
- (2) three (3) or more violations of any of the offenses contained in Section XV(e)(1)(iv) have occurred on the premises of an SOBE within a period of eight (8) months and the Enterprise Operator failed to make a reasonable effort to prevent the occurrence of such violations;
- (3) the Enterprise Operator failed to comply with a duty specifically imposed by these regulations;
- (4) the applicant provided materially false, fraudulent, or untruthful information on the original or renewal SOBP application form;
- (5) the SOBE has been closed for business for a period of thirty (30) consecutive days unless the closure is due to circumstances beyond the control of the Enterprise Operator and the Enterprise Operator is proceeding with due diligence to reopen the establishment;
- (6) the SOBP should not have been issued pursuant to these regulations; or
- (7) the Enterprise Operator commits or is convicted of a criminal offense listed in Section XV(e)(1)(iv) of these regulations.

- (8) an employee, independent contractor or other person providing services at the SOBE has failed to provide to the Enterprise Owner the information required under Section XVII of these regulations.
- (9) an employee, independent contractor or other person providing services at the SOBE has provided false information in the records required under Section XVII and the Enterprise Owner has relied on the information as being accurate when in fact it was not.
- (10) the Enterprise Operator is allowing employees, independent contractors or other persons who have been convicted of a crime listed in Section XVII(d) and whose time after conviction has not passed to work or provide services at the SOBE.

(b) If probable cause is found to believe any of the stated events or conditions occurred, the Executive Director shall forward to the SOBP holder or its designated agent a written notice of revocation. The notice shall set out the reasons for the action. Subject to a request for hearing pursuant to this section, the revocation shall become final on the eleventh (11th) business day after notice is provided pursuant to these regulations.

(c) The SOBE or its designated agent shall have the opportunity to appear before a hearing examiner appointed by the Commissioners' Court upon written request submitted to the Executive Director within ten (10) business days of delivery of the notice of revocation. The hearing examiner shall not have participated in any investigation of the alleged grounds for the revocation. The hearing will be held as soon as is reasonably possible but preferably within fourteen (14) business days of the request for hearing. The SOBE and the Executive Director will be provided an opportunity to present evidence, cross examine witnesses. They also may be represented by legal counsel. The rules of civil evidence for a non-jury trial shall apply.

(d) Upon finding that the facts presented at the hearing support a finding that grounds exist for revoking or suspending the SOBP, the hearing examiner may request that the parties present relevant evidence to show whether suspension or revocation of the SOBP is more appropriate. The hearing examiner may also request that evidence be presented for the purpose of identifying appropriate conditions to be attached to an SOBP if the SOBP is suspended. Reasonable conditions may be attached to an SOBP by the hearing examiner based on the evidence presented at the hearing.

(e) If the hearing examiner determines that an SOBP should be revoked, the hearing examiner shall issue a written order revoking the SOBP when notice is provided to the enterprise operator pursuant to these regulations.

(f) If the hearing examiner determines, based upon the nature of the violations, that a suspension in lieu of revocation is appropriate, operation of the SOBP may be suspended for a period of time not to exceed two (2) months. The hearing examiner shall issue a written order suspending the SOBP and attaching conditions, if applicable, upon notice to the enterprise operator pursuant to these regulations.

(g) Upon the finding that any item in (a)(4),(5),(6) or (7) of this section has been violated, revocation of the SOBP shall be mandatory.

(h) Revocation shall be subject to the hearing provisions of this section. But revocation shall take immediate effect upon notice being sent, subject to reinstatement resulting from appeal when there is a necessity for immediate action to protect the public from injury or imminent danger.

(i) a revocation shall be in effect for a minimum of a year. After a year a SOBP could be applied for again. The circumstances surrounding the revocation may be considered by the Executive Director.

(j) If one of the existing SOBES that was permitted under the April 5, 1999 Sexually Oriented Business Regulations has its permit revoked, no new permit will be issued for that location.

SECTION XVII – SOBE SERVICE ENTERTAINMENT SERVICE PROVIDER RECORDS

(a) An Enterprise Operator has the duty to keep the following information on file on site and readily available for inspection by the Executive Director or the Sheriff for each employee and independent contractor or other person providing Entertainment Services at the enterprise. The Executive Director will provide a standard format for these records. An Enterprise Operator has the duty to verify the accuracy of all information required by the Executive Director or the Sheriff:

- (1) the full legal name, professional or performing names and any other names used by the employee, independent contractor or other person (collectively sometimes called “person” within this Section) providing services;
- (2) a photocopy of the person’s valid driver’s license or Texas Department of Transportation identification card;
- (3) the current home address and telephone number of the person providing services;
- (4) the person’s height, eye color, natural hair color, and current hair color;
- (5) a photograph of the person taken within one (1) month immediately preceding the initial date of employment or service and updated every year;
- (6) a description of the capacity in which the person is employed, contracted for; or loaned to; and
- (7) if the person is employed, contracted for or loaned to the SOBE in a

capacity that involves serving liquor to patrons, evidence of certification through completion of a Texas Alcoholic Beverage Commission approved seller training program, under the V.T.C.A., Alcoholic Beverage Code Sect. 106.14.

- (a) The individual has a grace period of five calendar days in which to obtain the certification starting with the first day of employment.
 - (b) For individuals who work prior to obtaining the certification, the enterprise operator must have a written record of the date that employment began.
 - (c) Failure to maintain a written record of the date that employment began for individuals utilizing this grace period is itself a violation of these regulations. (modified 14 May 2002)
- (8) a Department of Public Safety (DPS) background check on the person either obtained by the Enterprise Operator or furnished to him by the person. A DPS background check based on date of birth and other applicable information is sufficient if the person desires to work for the Enterprise Owner for a cumulative number of less than ten (10) working days in a consecutive period of one hundred eighty (180) calendar days. In all other instances, a DPS background check based on fingerprints and date of birth and other applicable information is required.

Alternatively, instead of maintaining the above records outlined in §§(2)-(5) and (8), the Enterprise Operator may maintain a copy of a valid on-site permit card issue by the City of Houston. Entertainers or managers which avail themselves of this alternative must display their personal card on their person and provide her on-site card to the on-site manager in charge of the enterprise while the person is on the premises. The operator must ensure that the on-site card is in the possession of its representative if the permitted individual is on premise:

b) An Enterprise Operator has the duty to maintain and make immediately available records for inspection, and copying, by the Executive Director or the Sheriff on any person providing Entertainment Services at the time of the request.

(c) All records must be updated every twenty four months for employees and every time an independent contractor or other person providing services contracts to perform if the periods between performance are greater than six months apart. In addition, all records shall include a time record reflecting the times and dates each employee, independent contractor or such person worked. These records shall be available for random inspection by the Executive Director or the Sheriff during the hours of operation of the SOBE. All records shall be retained for at least a period of two (2) years from creation. Upon written request, the Enterprise Operator has a duty

to provide a copy of the records to the Executive Director or the Sheriff within one (1) business day of the request. (modified 14 May 2002)

(c) Any person providing services that provides false information to an Enterprise Operator pursuant to this section violates these regulations and is subject to prosecution.

(d) An Enterprise Operator shall not hire, engage or otherwise retain the services of an individual as an employee, an independent contractor or in any other capacity if:

- (1) The individual was convicted of any of the crimes listed below and
 - (i) less than two (2) years have elapsed since the date of conviction or the date of release from confinement and supervision (if applicable) imposed for the conviction, whichever is the later date; (modified 14 May 2002)
 - (ii) Repealed 14 May 2002;
 - (iii) Repealed 14 May 2002;
 - (iv) The crimes considered in applying this section are:
 - (a) prostitution,
promotion of prostitution,
aggravated promotion of prostitution,
compelling prostitution,
sexual performance by a child, or
possession of child pornography as described in Chapter 43 of the Texas Penal Code; (modified 14 May 2002)
 - (b) public lewdness,
indecent exposure, or
indecent with a child as described in Chapter 21 of the Texas Penal Code;
 - (c) sexual assault, or
aggravated sexual assault as described in Chapter 22 of the Texas Penal Code;
 - (d) Repealed 14 May 2002;
 - (e) Repealed 14 May 2002;
 - (f) Repealed 14 May 2002;
 - (g) a criminal offense as described in Chapter 481,

Subchapter D of the Health and Safety Code;

- (h) Repealed 14 May 2002;
- (i) criminal attempt, conspiracy, or solicitation to commit any of the foregoing offenses; or any other offense in another state that, if committed in this state, would have been punishable as one or more of the aforementioned offenses.

SECTION XVIII - NOTICE

- (a) Any notice required to be given by the Executive Director under these regulations to any applicant or Enterprise Operator may be given by personal delivery or by United States mail, postage prepaid, addressed to the most recent address as specified in the application for the SOBP or the most recent notice of address change.
- (c) Mailed notice shall be deemed served three (3) days after deposit in the United States mail. Personal notice shall be deemed served when delivered to an Enterprise Operator or, if the Enterprise Operator is not available, posted at the entrance to the SOBE. If the notice is served or posted, the individual serving or posting the notice will note the time and date of his action on a copy of the notice posted and return the copy to the Executive Director.
- (d) If a notice given by mail is returned by the postal service as undeliverable, it will be presumed the Enterprise Operator did not comply with the affirmative duty to notify the Executive Director of any change of address. This presumption may be rebutted by the enterprise owner showing there was error on the part of the Post Office.

SECTION XIX - TEMPORARY SOBP PROVISIONS

- (a) If the Executive Director fails to take action on an application within the times specified, or if the hearing officer fails to timely conduct or give notice of the decision after the hearing the applicant shall be entitled to an immediate issuance of a temporary SOBP upon written demand. The applicant must file the demand with the Executive Director. A temporary SOBP shall be valid only until notice of the Executive Director's action on the application or the hearing examiner's order. This section shall not apply if the delay is wholly or partially caused by the action or inaction of the applicant.

SECTION XX - SOBP RENEWALS

- (a) SOBP renewal applications must be filed not more than thirty (30) days prior to the expiration date of the SOBP. The renewal application form will be provided by the Executive Director.

- (b) An annual non-refundable renewal fee of \$1,000 will accompany the application for renewal to defray costs of inspections and investigation. Only money orders or cashier checks will be accepted. Personal, business checks or checks from corporations will not be accepted.
- (c) The renewal application must contain:
- (1) Certification by the applicant that there have been no changes in the information provided in the initial application or the information which has changed since the initial application, supported by related documentation as required in the initial application.
 - (2) Certification the SOBE is in operation. The permit will not be renewed if the SOBE has not commenced operation as proposed in the initial SOBP application.
- (d) The Executive Director shall determine if the permit may be renewed based on the information contained in the renewal application. The renewal permit will be denied upon a finding of any of the conditions identified in Section XV(e)(1)(iv). Notice of renewal or denial will be issued within fourteen (14) days of receipt of the completed renewal application or by the expiration date of the previous SOBP, whichever period is longer.
- (e) If a renewal application is submitted less than fifteen (15) days before the previous SOBP expires, there shall be no temporary SOBP issued to extend the SOBP. The original SOBP will expire and until the Executive Director's determination on renewal there will be no valid SOBP for operation during that period.
- (f) If an SOBE fails to file its renewal application prior to the expiration of the existing SOBP, the SOBE must file an application for a new SOBP and the application shall be considered as any new application.
- (g) Any interested Party may file a request for a public hearing with the Executive Director prior to issuance of a new SOBP. A request for a public hearing will not necessarily entitle the requesting party to receive one. Only if a request for a public hearing specifically identifies existing public health and safety concerns connected with the operation of that SOBE that did not exist when the original permit was granted will a public hearing be held. Any such public hearing will be conducted as provided for in Section XIV.
- (1) The general public and all Interested Parties may present to the hearings officer new information to support recommendations to the Executive Director for denial or for conditions relating to public health and safety to be attached to the SOBP upon renewal.
 - (2) The request for a public hearing may be filed at any time during the year, but the hearing will be scheduled when the application for renewal of the SOBP is filed. If issuance of the renewal is delayed solely to accommodate the need for the public hearing, the existing SOBP shall be automatically extended until the

Executive Director issues or denies the renewed SOBP based on the recommendations of the hearings official. The fact that there is a pending public hearing does not revive an SOBP that lapses under the provisions of subsections (e) and (f) above.

(h) If a permit has been suspended pursuant to Section XVI of these regulations, the renewed permit will be suspended until the suspension period has elapsed.

SECTION XXI - INVESTIGATION

(a) Upon receiving the application for an SOBP or an application for renewal, the Executive Director shall perform an investigation to determine compliance with these regulations.

SECTION XXII - INSPECTIONS

(a) The Executive Director and the Sheriff shall make such reasonable, periodic inspections of the premises of all SOBES that are permitted under these regulations as they deem necessary.

SECTION XXIII – TRANSFER PROHIBITED

(a) An SOBP issued under these regulations is not transferable, assignable, or divisible. It is a violation of these regulations for any person or other legal entity to attempt to do so. Upon transfer by bequest or operation of law upon the death of the SOBP holder, the SOBP will continue in effect for forty-five (45) days after the death of the SOBP holder. Upon the filing of a new application and fee and posting the application with the prior SOBP, the SOBE may continue to operate until the final determination on the new SOBP. If no application is filed within forty-five (45) days after the death of the SOBP holder the SOBE shall be in violation of these regulations each and every day it continues to operate without a new SOBP.

(b) If a SOBE had been previously permitted under the April 5, 1999 regulations and is located within 1,500 feet of the protected uses identified in these regulations and 50% or more of the building or other temporary or permanent structure in which it is located is destroyed due to fire, natural disaster, or any other reason, the existing permit will automatically expire and no new permit will be granted for that location.

SECTION XXIV – LOST OR DESTROYED SOBP

(a) If an SOBP is lost or destroyed, a replacement may be obtained by filing a lost SOBP application and paying a lost permit fee of \$250.
