November 2024

The Galveston County Sheriff Academy will be hosting TxFACT's Palm Print Identification course. **Registration is at register@txfact.com**

November 18 - 20, 2024 8:00 AM-5:00 PM

TCOLE 4005 TxFACT's Palm Print Identification (24 hours)

Cost: \$595 Early / \$695 @ Door

Instructor: TxFACT Instructors

Class Size: 35 max

Facility: GCSO Joe Max Taylor, Large Training Room

Description: The Palm Print Recognition and Identification Course is designed to give the student the ability to analyze partial latent palm impressions and make a determination of what region of which hand the impressions are from. With this information now available to the examiner, their latent searches and individualizations will be faster and with more confidence. This will be accomplished by teaching the students the major and minor ridge flows, ridge characteristics, and crease formations present in palm prints. We will also discuss palm print documentation and terms that will greatly assist the examiner in writing ACE-V reports and testifying in court on palm impression identifications. The students will start working with whole palm impressions and through practical exercises, work their way down to smaller fragmented impressions with confidence.

November 21, 2024 8:00 AM-5:00 PM

TCOLE 2049 APC: Supervisor Report Review Course (8 hours)

Cost: \$199

<https://advancedpoliceconcepts.com/event/supervisor-report-review-course-galveston/>

Instructor: Mike Schentrup, SME

Class Size: 35 max

Facility: GCSO Joe Max Taylor, Large Training Room

Description: This one-day course is designed to provide supervisors with the skills needed to review and edit incident reports and arrest affidavits. Your agency's reputation is on the line with every incident report written; make them as good as possible. Improve your department's reputation and increase prosecutions!
